

WHAT BENEFITS DOES IMAGERY BY DESIGN PROVIDE PHOTOGRAPHERS?

YOUR OWN GALLERIES ON OUR ARTIST WEBSITE

- We'll provide story text on your gallery page about you and your photography, if desired.
- The set-up price includes one gallery, and up to 75 images. The cost for an additional 25 images is \$50.00. We can create additional galleries for you for \$50.00.
- A gallery may provide a perfect and easy means to show off your work if you are looking to market your photographic services.
- All galleries will be available to view by anyone with Internet access, unless you choose to make any private.
- You will receive a blog article on our website promoting your work.
- We will link to any social media pages you desire, including our own.
- We will provide search engine optimization of your galleries and your introductory blog article.
- People will have the ability to purchase a limited use personal license and download a digital image.
- People can choose and purchase a variety of quality products, including prints of all sizes and on many mediums, mugs and greeting cards produced by a proven high-quality digital vendors.
- You receive all profits from the download licenses and any products purchased.
- We provide a payment to you on the 15th of each month by whatever means you choose.
- You retain the ownership rights to your images and can cancel at any time. Upon cancelling, we will send you a thumb drive of your images, for \$50.00.
